AstraZeneca v. Apotex
Consolidated Civil Action No. 08 CV 01512 (RMB)(AMD)

Dear Roy:

I write in response to your January 19, 2010 letter to Hassen A. Sayeed regarding AstraZeneca's bases for recalling documents with production numbers AZ1343541-546. The referenced bates range contains two separate documents, and, upon further review, AZ1343542-546 was inadvertently included in our request and need not be returned. But AZ1343541 is protected by the attorney-client privilege, because it reflects confidential client communication provided to counsel (James Peel) for the purpose of obtaining legal advice and services of counsel. Accordingly, consistent with Section 7 of the Discovery Confidentiality Order entered in this case, AZ1343541 should be promptly returned to AstraZeneca.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael S. Burling", written over a horizontal line.

Michael S. Burling
